South Country Youth Soccer League Open Meeting  
Thursday, October 4, 2012  
South Country Library

The meeting was called to order at 7:55pm

Rose Ventiere gave the treasurer's report. See Attached.

Travel Director's report:

- Although the league was asked to move the container at Bellport Middle School once again, the Athletic Director said to postpone the move until a permanent spot can be found.
- Two travel teams went to night soccer games in support of the girl's varsity team. The league's U11 and U13 teams scrimmaged at halftime. The evenings were very successful and the teams were invited back for a fund raiser next Friday, October 12, 2012. Thank you to Joe Mordente for putting this together.
- The U11 girl that received a concussion during a game has been cleared by a doctor to play.
- Some of the girls on the travel teams participated in the Knights of Columbus shootout. Unfortunately, there was a conflict during the second round of the shootout, so that is as far as it went. Next year we are hoping for more notice so that schedules can be accommodated.

Intramural Director's Report:

- NOGA turnout has been great.
- On-line registration went very well.
- Coaches have been very helpful in all capacities including lining the fields.
- We are working through the referee problems that have been happening. Denis is going to provide a list with team names and phone numbers. Rose has a list as well. The lists will be combined to ensure that we have experienced ref's for years to come.
- Risk management was discussed. It was decided that the members of the board, whether they coach or not, should go through risk management.

Meeting was adjourned at 8:10pm
